Presidents Note:

2022 continued to challenge each of us in ways not seen before in terms of the Pandemic and new “variants.” I can assure the Membership that the Board works diligently to meet the needs of all our members and their loved ones and conduct ordinary business and maintain the fiscal well-being of the Association. As President, I would like to express my sincere appreciation to the Officers and Trustees for their continued dedication and commitment to the organization and each of our members. Their efforts ensure that we are in a good position to meet the needs of the membership.

Our membership continues to grow and presently we have over 375 members. The Board of Officers continue to work on your behalf to keep this organization in strict compliance with the Rules and Regulations of the State of New York governing Benevolent Associations and pursuant to our charter. In addition to attending monthly Trustees or General Membership Meetings, the Officers attend various meetings throughout the year across Nassau, Suffolk and in Albany to stay abreast of the latest laws and regulations that affect the membership.

On behalf of myself, and the Board of Officers and Trustees please accept our best wishes to you and you families for a very Happy and Healthy Holiday Season and a very Happy and healthy New Year!

Respectfully,

George Repetti
